In addition, a memo contribution from Medco Health PAC can be noted on Line 11c, with detail on page 24, item B.

Tickets for an event were pre-purchased. Due to a change in plans, all of the tickets are not going to be used by Dave Camp for Congress. Unused tickets are being re-purchased by other persons, organizations and committees for their own use. Funds received for the re-purchase of these tickets are included on Line 15 of this report. These funds are not contributions to Dave Camp for Congress.
